Adopt a Therapaws Puppy

Our Therapaws puppies need a good home. They are housebroken, they don't bark, and they don't need to be fed, walked, or taken to the vet. They just need to be loved and you are guaranteed to feel better just holding one. Puppies come in black, yellow, and black & white, with a red Therapaws scarf. They make wonderful birthday and holiday gifts for young and old alike.

These puppies are part of a fundraising campaign for Therapaws of Michigan, Inc., (Therapaws) a 501(c)(3) non-profit organization. Donating to their care means donating to a pawsitive group of real therapy dogs. Stuffed Therapaws puppies are \$16 each, including shipping right to your door. Avoid shipping charges and buy directly from any member for \$10! Donations are tax-deductible.
